**S&P Names Landreth as Chief Estimator for Gulf Coast Region**

Satterfield & Pontikes Construction, Inc. (S&P) is pleased to announce the promotion of Ellis Landreth to the position of Chief Estimator for S&P's Gulf Coast region. With more than 20 years of estimating experience, Landreth will be responsible for managing the estimating groups in S&P's Houston and New Orleans offices.

He will also manage estimating for the preconstruction phase of S&P's Construction-Manager-at-Risk and Design-Build projects. Landreth has more than 35 years of experience in the construction industry.
