**SATTERFIELD & PONTIKES CONSTRUCTION NAMES CHURCHILL
BUSINESS DEVELOPMENT MANAGER FOR FEDERAL SERVICES DIVISION**

SAN ANTONIO, TEXAS (October 7, 2010) – Satterfield & Pontikes Construction, Inc. (S&P), a premier provider of construction services, is pleased to announce the addition of Eric Churchill as Business Development Manager for S&P's Federal Services Division in San Antonio.

Churchill will be responsible for identifying business development opportunities for S&P's federal procurement efforts. His duties will include assessment of opportunities with the Department of Defense and other government agencies.

Churchill has more than 18 years of experience in business development. Prior to joining S&P, Churchill served as Business Development Manager for Gilbane Building Company and most recently as Business Development Manager for DPR Construction.

Churchill holds a Bachelor of Science degree in Mechanical Engineering from Texas A&M University. He is a member of the Society of American Military Engineers and the Society for Marketing Professional Services.

For more information, contact John Marshall at 713-996-1302.

About Satterfield & Pontikes Construction

Established in 1989, Satterfield & Pontikes Construction, Inc. is an award-winning general contractor and construction manager. S&P is recognized as one of *Engineering News-Record's* 'Top 400 Contractors' and ranks near the top of *Texas Construction's* 'General Building Contractors.' *Texas Construction* also ranks S&P as #2 in Government Services Buildings and as the #9 Top Design/Builder (Construction). S&P's commitment to sustainable construction earned a spot on *Engineering News-Record's* 'Top 50 Green Builders' in America. To learn more about the company, visit www.satpon.com.
