**SATTERFIELD & PONTIKES CONSTRUCTION NAMES COX
VICE PRESIDENT OF OPERATIONS FOR FEDERAL SERVICES DIVISION**

SAN ANTONIO, TEXAS (October 7, 2010) – Satterfield & Pontikes Construction, Inc. (S&P) is pleased to announce the addition of Richard Cox as Vice President of Operations for S&P's Federal Services Division in San Antonio.

Cox will be in charge of operations and profitability for S&P's federal procurement efforts. He will also manage field operations, design build procurement, and engineering services.

Prior to joining S&P, Cox served as preconstruction design build manager at ECI Construction, Inc. and Greenleaf Construction Company. With more than 30 years of experience in the construction industry, his roles include work as a division manager and construction manager/senior project manager.

For more information, contact John Marshall at 713-996-1302.

About Satterfield & Pontikes Construction

Established in 1989, Satterfield & Pontikes Construction, Inc. is an award-winning general contractor and construction manager. S&P is recognized as one of *Engineering News-Record's* 'Top 400 Contractors' and ranks near the top of *Texas Construction's* 'General Building Contractors.' *Texas Construction* also ranks S&P as #2 in Government Services Buildings and as the #9 Top Design/Builder (Construction). S&P's commitment to sustainable construction earned a spot on *Engineering News-Record's* 'Top 50 Green Builders' in America. To learn more about the company, visit www.satpon.com.
