**SATTERFIELD & PONTIKES HONORED WITH HOUSTON FAST 100 AWARD**

**HOUSTON, TEXAS** (October 19, 2011) – Satterfield & Pontikes Construction, Inc. (S&P) was recognized by the Houston Business Journal as one of the fastest-growing businesses in Houston at its annual Houston Fast 100 awards luncheon held recently at the Hilton Americas-Houston. The prestigious awards honor private companies in the Houston area having the highest percentage of revenue growth over the past two years.

S&P's revenues have increased steadily during its 22-year history, reaching nearly \$500 million in 2010. S&P was ranked number 63 in the 2011 Fast 100.

“We are honored to make the Fast 100 list,” said S&P President/CEO George A. Pontikes Jr. “Growth is difficult during an economic downturn, and I am extremely proud of the entire S&P team for our success and for making this recognition possible.”

All of the honorees on the 2011 Houston Fast 100 list were required to have been in business for at least five years and maintain their headquarters within the 10-county Houston area.

Marketing Director Lisa Ruth and Marketing Manager Debbie Moore were on hand to accept the award for S&P.
